

BRIAN M. LEVIN, M.D.

Chesapeake Urology Associates, P.A.
826 Washington Road, Suite 215
Westminster, MD 21157
(410) 876-1633
(410) 871-1074 - Fax

Chesapeake Urology Associates, P.A.
McDonough Crossroads
21 Crossroads Dr. #200
Owings Mills, MD 21117
(410) 581-1600
(410) 581-1603 - Fax

LICENSURE:

State of Pennsylvania-inactive
State of Tennessee- inactive
State of Maryland-active

EDUCATION:

9/91-5/95 Bachelor of Science, Cum laude
University of Maryland, College Park, MD

8/95-5/99 Doctor of Medicine, Summa cum laude
University of Maryland School of Medicine, Baltimore, MD

INTERNSHIP:

6/99-6/00 General Surgery Internship
University of Pennsylvania, Philadelphia, PA

RESIDENCY TRAINING:

7/00-6/04 Urology Residency
University of Pennsylvania, Philadelphia, PA

FELLOWSHIP:

PUBLICATIONS:

1. Guzzo TJ, **Levin B**, Lee R, Guo M, Chen Z, Whittington R, Tomaszewski J, Malkowicz SB: Relationship of biochemical outcome to percentage of positive biopsies in men with clinically localized prostate cancer treated with permanent interstitial brachytherapy. *Urology*, 71(4): 723-7, 2008.
2. Kutikov A, Van Arsdalen KN, **Levin B**, Ferlise VJ, Howard PC, Carpenter JP, Ramchandani P: Communication between the ureter and an aortic aneurysm sac after an abdominal aortic aneurysm repair. *Urology*, 71(2): 351, 2008.
3. Maynes LJ, **Levin B**, Webster T, Baldwin D, and Herrell SD: Measuring the true success of laparoscopic pyeloplasty. *J Endourol*, 22(6): 1193-8, 2008.
4. **Levin B** and Herrell SD: Salvage laparoscopic pyeloplasty in the worst case scenario: after both failed open repair and endoscopic salvage. *J Endourol*, 20(10): 808-12, 2006.
5. Herrell SD and **Levin B**: Laparoscopic partial nephrectomy: use of the TissueLink hemostatic dissection device. *J Endourol*, 19(4): 446-50, 2005.
6. **Levin B**, Boulos F, and Herrell SD: Metastatic ocular melanoma to the kidney 20 years after initial diagnosis. *Urology*, 66(3): 658, 2005.
7. **Levin B**, Vaughn DJ, and Malkowicz SB: Metastatic prostate cancer: optimal management strategies. *American Journal of Cancer*, 2(2): 87-95, 2003.
8. Del Pizzo JJ, Sklar GN, **Levin B**, Wong-You-Cheong JJ, Cho E, Flowers JL, and Jacobs SC: Limitations of helical CT angiography for evaluation of living renal donors undergoing laparoscopic nephrectomy. *J Urol*, 62(1): 31-35, 1999.
9. Del Pizzo JJ, **Levin B**, Wong-You-Cheong JJ, Krebs T, Cho E, and Jacobs SC: Limitations of helical CT arteriography for evaluation of living renal donors undergoing laparoscopic nephrectomy. *J Endourology*, 12(1):S152, 1998.

PRESENTATIONS:

1. **Levin, B**, Schachter L, Webster T, Sprunger J, Baldwin D, and Herrell SD: Measuring the true success of laparoscopic pyeloplasty. AUA annual conference. Atlanta, GA. 2006. Poster.
2. Schachter L, **Levin B**, Sprunger J, Webster T, Herrell SD: Histologic Subtypes of renal tumors less than 3 centimeters. AUA annual conference, Atlanta, GA. 2006. Poster.
3. Herrell SD, Webster T, Sprunger J, **Levin B**. Complex Laparoscopic upper tract reconstructions: techniques and results video. AUA annual conference. Atlanta, GA. 2006. Video Presentation.
4. **Levin B**, Chang P, Parman K, Moeckel G, and Herrell SD: Ex vivo renal perfusion technique: a potential model to study ablative technologies for renal cell carcinoma. 23rd World Congress of Endourology, Amsterdam 2005. Poster.
5. **Levin B** and Herrell SD: No spill technique of distal ureter and bladder cuff management during laparoscopic nephroureterectomy: a novel technique: 23rd World Congress of Endourology, Amsterdam, 2005. Video presentation.
6. **Levin B** and Herrell SD: Laparoscopic psoas hitch ureteroneocystostomy: technique and results. 23rd World Congress of Endourology, Amsterdam, 2005. Video presentation.
7. **Levin B** and Herrell SD: Salvage laparoscopic pyeloplasty in the worst case scenario: patients status post failed open pyeloplasty and endoscopic salvage of ureteropelvic junction obstruction. Annual society of endourology essay contest, 2005. Poster.
8. Herrell SD, **Levin B**, Moeckel G, Webster T: A simple method for achieving renal parenchymal hypothermia for pure laparoscopic partial nephrectomy. AUA annual conference, San Antonio, TX. 2005. Poster.
9. **Levin B**, Webster T, Sprunger J, Baldwin D, and Herrell SD: Laparoscopic partial nephrectomy: Vanderbilt experience. Presentation, 69th Annual Southeastern AUA sectional meeting, Charleston, SC. 2005.
10. **Levin B**, Webster T, Sprunger J, and Herrell SD: TissueLink device for laparoscopic nephron sparing surgery without hilar clamping. 69th Annual Southeastern AUA sectional meeting, Charleston, SC. 2005. Poster.
11. **Levin B**, Sprunger J, Cookson M, Chang S, and Herrell SD. High density saline linked monopolar device is a valuable adjunct for both open and laparoscopic

nephron sparing surgery: 69th Annual Southeastern AUA sectional meeting, Charleston, SC. 2005. Poster.

12. **Levin B** and Herrell SD: No spill technique of distal ureter and bladder cuff management during laparoscopic nephroureterectomy: a novel technique: 69th Annual Southeastern AUA sectional meeting, Charleston, SC. 2005. Poster.
13. **Levin B**, Lee R, Berlin J, Whittington R, and Malkowicz SB: Relationship of percent positive prostate biopsies to risk of biochemical failure following permanent interstitial brachytherapy. 61st Annual Midatlantic AUA sectional meeting, Boca Raton, FL, 2003.
14. **Levin B**, Lee R, Berlin J, Whittington R, and Malkowicz SB: Effect of percent positive prostate biopsies on risk of biochemical failure following permanent interstitial brachytherapy. 98th Annual AUA meeting, Chicago, IL, 2003.

AWARDS, HONORS, HONORARY SOCIETIES:

6/04	Pfizer Scholar in Urology
6/04	Howard Pollack Resident Academic Achievement Award
2/94	Alpha Omega Alpha, University of Maryland School of Medicine
