Uberoi J, Munver R. Surgical management of metastases to the adrenal gland: Open, laparoscopic and ablative approaches. Pending publication in *Current Urology Reports*, 2008.

Uberoi J, Lee CL, Fantini G, Munarriz R. Long term outcomes of microvascular penile bypass surgery using validated instruments. Submitted for publication in *Journal of Urology*, May 2008.

Uberoi J, Harnisch B, Sethi AS, Babayan RK, Wang DS. Robot assisted laparoscopic distal ureterectomy and ureteral reimplantation with psoas hitch: Operative Technique. *Journal of Endourology*, 21(4): 368-73, April 2007.

Uberoi J, Badwan K, Wang DS. Renal artery pseudoaneurysm following partial nephrectomy. *Journal of Endourology*. 21(3): 330-3, March 2007.

Munarriz R, Huang V, **Uberoi J**, Maitland S, Payton T, Goldstein I. Only the nose knows: penile hemodynamic study of the perineum-saddle interface in men with erectile dysfunction utilizing bicycle saddles and seats with and without nose extensions. *Journal of Sexual Medicine*. 2(5):612-9, Sept. 2005.

Uberoi, J. Using a Community-Oriented Primary Care Approach to Address Health Problems in Durham County - Senior thesis in public policy, with Chris Conover, Ph.D., Center for Health Policy, Law, and Management, Duke University, 1998.

Presentations:

Uberoi J, Lee CL, Babayan RK, Wang DS. Incidence of device malfunctions using the Davinci robot during robotic assisted laparoscopic urologic surgery. Poster presentation at the World Congress of Endourology meeting, October 2007, Cancun, Mexico.

Lee CL, Uberoi J, Babayan RK, Wang DS. In vitro urine flow rate and encrustation properties of a non-tubular ureteral stent with a novel configuration. Poster presentation at the World Congress of Endourology meeting, October 2007, Cancun, Mexico.

Passerotti CC, Passerotti AMS, Begg N, Uberoi J, Retik AB, **Nguyen HT**. Comparing the Efficacy of Performing Pyeloplasty Using Open, Conventional and Robotic-Assisted Laparoscopic Techniques In an Animal Model. Poster presentation at the New England Section American Urological Association meeting, September 2007, Boston, MA.

Passerotti CC, Barnewolt C, Ward V, Dunning P, Uberoi J, Xuewu J, Begg N, Retik AB, **Nguyen HT**. *In utero* Treatment for Bladder Outlet Obstruction Using Robotic-Assisted Laparoscopic Techniques. Poster presentation at the New England Section American Urological Association meeting, September 2007, Boston, MA.

Uberoi J, Lee CL, Fantini J, Munarriz R. Long term outcomes of penile revascularization. Poster presentation at the American Urological Association annual meeting, Anaheim, CA, May 2007.

Uberoi J, Fantini J, Munarriz R. Long term outcomes of penile revascularization: Is age a predictor of success? Poster presentation at the Sexual Medicine Society of North America annual meeting, Las Vegas, NV Nov 2006.

Uberoi J, Munarriz R. Management of severe penile pain with subcutaneous non-intralesional triamcinolone injections in patients with Peyronie's disease. Poster presentation at

the Sexual Medicine Society of North America annual meeting, Las Vegas, NV, Nov 2006.

Uberoi J, Harnisch B, Sethi AS, Babayan RK, Wang DS. Robotic assisted laparoscopic ureteral reimplantation with psoas hitch. Video and podium presentation at the American Urological Association New England section meeting, Providence, RI, Sept 2006.

Uberoi J, Badwan K, Ghadimi K, Babayan RK, Cleveland RO, Wang DS. A novel experimental model for studying and optimizing the efficacy of holmium laser lithotripsy. Podium presentation at the American Urological Association New England Section meeting, Bermuda, Sept 2005.

Badwan K, Uberoi J, Wang DS. Renal artery pseudoaneurysm after laparoscopic partial nephrectomy: 2 case reports. Poster presentation at the World Congress of Endourology Annual meeting, Amsterdam, Netherlands, August 2005.

Uberoi J, Liou LS. 17 year experience with penetrating ureteral trauma at Boston Medical Center. Presented at the American College of Surgeons 12th Annual Surgical Resident Research Day. Boston, MA, May 2005.

Zeman P, Uberoi J, Liou LS. Penetrating ureteral trauma at Boston Medical Center: a 13 year experience. Podium presentation at the American Urological Association New England Section, Amelia Is, FL, September 2004.

Uberoi J, Maitland S, Payton T, Munarriz R, Goldstein I. Prospective study of bicycle saddle/seat-associated perineal

compression on penile blood flow in men with erectile dysfunction. Poster presentation at the American Urological Association New England Section meeting, Boston, MA, Sept 2002.

Munarriz RM, Uberoi J, Smith A, Sethi AS, Maitland S, Goldstein I. Bicycle riding associated erectile dysfunction: Treatment outcome of revascularization surgery. Podium presentation at the American Urological Association New England Section meeting, Boston, MA, Sept 2002.

Other Research:

Skin biopsy findings in patients with Sjogren's neuropathy. Anne Louise Oaklander, M.D., Ph.D. Dept. of Neurology, Massachusetts General Hospital, 2002.

Quantification and analysis of epidermal neurites in patients with diabetic neuropathy. With Anne Louise Oaklander, M.D., Ph.D. Dept. of Neurology, Massachusetts General Hospital, 1999-2000. As part of Serchuck Summer Research Scholarship.

Development of an Integrated Service Delivery System for People with HIV/AIDS in rural North Carolina. With Kate Whetten-Goldstein, Ph.D., Center for Health Policy, Law, and Management, Duke University, 1997.

Awards & Honors:

Administrative Chief Resident, Urology Residency 2008
Serchuck Research Scholarship, Summer 1999

Nominated as Youth Member for President Clinton's Council
on HIV/AIDS - 1998

Magna Cum Laude, Duke University
Distinction in Public Policy
Dean's List 1995, 1996, 1997, 1998

Memberships:

American Urological Association

Endourological Society

Sexual Medicine Society of North America - Student Member

Massachusetts Medical Society
